YORK COLLEGE
OF PENNSYLVANIA
The present-day institution traces its roots to the York Academy (1787) and to the York Collegiate Institute (1873). Beginning in 1941, the York Collegiate Institute evolved into the College, and in 1959 this beautiful site became the Campus of York College.

Working At Y.C.P.

From November 16 to 19, the York College Theatre Company presented WORKING: a musical, in the Theatre. A superb job of portrayal can be accredited to the students and faculty who spent hours upon hours memorizing, practicing and polishing their segments for the four day showing. It was a pleasure to see members with the talent and confidence to perform on stage. Congratulations to all involved. A JOB well done.

Baseball

The baseball season actually began with fall practice for the York College team. Unfortunately, bad weather postponed the beginning of spring on-field practice. The baseball team ended their season with a 24-9 record. We are looking forward to an even better season from those team members who will be returning.

Men's Basketball

York concluded the 1983-84 season at 11-14, after facing what was conceded as its most difficult schedule in history. Coach Gamber knew that going into the season, although he thought competing against the better quality squads would result in victories over "lesser" teams. Quite frankly, it didn't. Although next season's schedule looks just as competitive, we can look forward to an outstanding performance by Wayne Johnson and many other returning players.

Women's Basketball

The YCP Women's Basketball team ended their 1983-84 season with a record of 6-12. Their season began with three tough teams. The learning process began for the team after these three defeats. As each game approached, they began to play better as a team. The season took off with some very close wins and losses.

Cheerleaders

Cross Country

For the first time in 5 years, the cross country squad had to renege on its women's schedule due to lack of participants. Participation for Men's Cross Country was not outstanding. The overall record was very disappointing, although the squad made an outstanding effort. The anticipated star runner, Mark Rizzuto, suffered from an injury dealing with his achilles tendon but made a gallant effort to run in every race. Although the team was plaqued with injuries throughout the season, we must commend these men for having the desire to compete as best they were able.

Field Hockey

This year's Field Hockey team was a very competitive and talented group. The level of competency grew because J.V. was also a very well developed and pushed Varsity to achieve greater heights. The final record of 9 wins, 4 losses and 2 ties put this squad close to being ranked in the top 20 nationally for Division III. The college and the team itself can certainly be proud of the 1983 team and its accomplishmnets.

Golf

The 1984 golf season was a tremendous success. Throughout the season, the team shot record breaking scores in weather conditions far from ideal. The Spartans concluded the season with a 10-1-1 record. During the season, the golf team set an Outdoor Country Club record with a 385 score against Millersville. The only disappointment in the season was the failure tobe selected to play in the NCAA Division III championships.

Soccer

The 1983 Soccer season began with high expectations to exceed last year's record, but this was not to be. A combination of inexperience and injuries hindered the team throughout the season. Since the squad is predominately made up of athletes eligible to play next year, they are looking forward to an improved record from the experience gained this year.

Men's Swimming

This season, the men's swimming and diving teams made a giant step forward. Not only have they increased in numbers and spirit, but they achieved the attitude of a close knit group striving together to do their best not only as individuals, but as a team. They may not have posted a winning season, but the future looks bright for this young rebuilding team. Their drive and determination will take them far next year.

Women's Swimming

The 1983-84 team, made up mostly of underclassmen, have really made a giant leap forward with their attitudes toward competition. A few athletes were plaqued by injuries who otherwise would be an asset to the team. Their record may not have been a winning one, but they are looking forward to an improved sesaon next year.

Track And Field

The 1984 track and field team finished the season with a 2-8 record. This season the team had the largest turnout of women with more than half completing the season, even though they did not officially field a womens' team. Mark Rizzuto set two new team records in the 800 meter run and 3000 meter steeplechase and finished second and fourth respectively in the steeplechase in invitatinoal meets. One high point of the season was a double win over Baptist Bible and Gallaudet on York's track.

Volleyball

The 1983 season proved to be that of improvement and challenge. The team improved their record of last year by a measurable difference. Since all but one athlete are eligible to return, next year we are looking for great strength and competitiveness.

Wrestling

The York College wrestling team completed another successful season with a 13-3 dual meet record. The highlight of the dual meet season was a season ending win over Millersville University (NCAA Division I). This marked the first time in eleven years a York College wrestling team has defeated Millersville. The success of this season's team was largely due to the attitude of the team members. Many team members wrestled out of their weight division so that the strongest taem possible could be fielded for a given meet.

Memory is defined by Webster as: "an image or impression of someone or something remembered.

As I look back on my past three years at Y.C.P., I am grateful to have had special friends to spend time with. I am remembered of many events that have become cherished memories:

Sue's Create-A-Space
2 years of Editorship
Zeta Delta Phi
Girl Talks
Volleyball Marathon
The HORIZON Office
"Are you done yet?"
Wednesday nights with Robin
James dancing on my 21st
the Vets- radar is on, target is in sight
"Mel, old buddy, old pal of mine from way back . . . ."
Annapolis, Inner Harbor, and Down's Park with Jean and the Midshipmen
My family- for 21+ memorable years.
Murph's Meetings
3 years with Suzie
Late Nite Denny's Runs
"Hello People!"
TRI-STATE
Pam's wise words of wisdom
"Let's go in the Darkroom . . ."
Sharing the office with Webb
Jean-Marie, Lucy

While writing this, the words of Alan and Marilyn Bergman come to mind:

"Memories may be beautiful, and yet, what's too painful to remember we simply choose to forget. So it's the laughter we will remember, whenever we remember the way we were, THE WAY WE WERE."

Melinda Anne Kuethe
